WE 文法速查表（考前一頁）

2026-10-29，考前一天版。只留三樣：練過還會錯的 TOP 8、18 類各一句口訣＋你最後一次錯的那句、送出前五步。完整版在 文法總複習／一小時 PDF。

① 頑固錯 TOP 8：練過還是又錯的，考場先想這八個

你寫的	要寫	次
pay attention ~~on~~	pay attention to	5
goes home ~~with~~ a good mood	goes home in a better mood	4
young people are ~~worry~~	are worried（be 後面只能接形容詞）	3
our ~~healthy~~／stay ~~in health~~	our health／stay healthy	3
long hours ~~causes~~／more hours ~~does~~ not	hours cause／hours do not（複數主詞不加 s）	3
keeps ~~family~~ in harmony	keeps the whole family in harmony	3
there ~~have~~ no wage limit	there should be no wage limit	3
laws ~~affect little on~~ people	laws have little effect on people	3

② 18 類：一句口訣＋你最後一次錯的那句

類別・口訣	最後一次錯 → 對
1 s 的方向 先找主詞：單數動詞加 s，複數不加	~~a happy worker go home~~ → a happy worker goes home ~~long hours causes~~ → long hours cause
2 介系詞片語 不照中文猜，整組背	~~punished by each mistake~~ → punished for every mistake ~~love matters more than on time~~ → more than timing
3 可數名詞漏 s 一個 → a；泛指 → s	~~hurts family~~ → hurts families ~~discount~~ → short-term discounts
4 詞性用錯 be／feel／stay 後形容詞；our／leading to 後名詞	~~keeps people safely~~ → keeps people safe ~~people lived in the country~~ → people living in the country
5 a／an 掉了 單數可數不裸奔；句首最容易掉	~~happy employee goes home~~ → A happy employee goes home ~~get promotion~~ → get a promotion
6 the 加錯／漏加 說得出「哪一個」才加；不可數不加 a	~~take a legal responsibility~~ → take legal responsibility ~~a better choice~~（二選一）→ the better choice
7 助動詞／to 後原形 should／can／to／crucial that 後一律原形，⑱ 不放 should	~~can built~~ → can build ~~crucial that students should finish~~ → crucial that students finish
8 不可數名詞 money／information／work／air／history：不加 a、不加 s	~~deal with the works~~ → deal with his work ~~fewer money／a cleaner air~~ → less money／cleaner air
9 固定片語 收尾片語整串背，一字不換	~~a warm and a stable home~~ → a warm and stable home ~~has more harm than good~~ → does more harm than good
10 動詞當主詞 -ing 先加 -ing，-ing 算單數；被動主詞 being＋p.p.	~~students studying old plays does~~ → Studying old plays does ~~been watch all the time leads~~ → being watched all the time leads
11 and／or 否定用 or；A, B and C；and 兩邊對稱	~~life is slow and far less pressure~~ → life there is slow and has far less pressure
12 leading to 後接名詞 只放名詞；and it 換成 that	~~a bad temper and this hurts family~~ → a bad temper that hurts families
13 比較級 可數 fewer、不可數 less；有 than 就有 more	~~less working hours is less money~~ → fewer working hours mean less money ~~matters than discounts~~ → matters more than
14 逗號連兩句 兩個完整句：, and／, but；不是換 that	~~in harmony that fame should never~~ → in harmony, and fame should never ~~things that cannot find~~ → things they cannot find
15 make／let／help／see＋原形 直接原形；allow／push 要 to	~~makes employees to feel~~ → makes employees feel ~~allow their children use~~ → allow their children to use
16 時態 一般情況現在式；James 做過的過去式；if 子句現在式	~~James gets marry~~ → James married／got married ~~if student surffing on internet~~ → If a student surfs the internet

17 every／there **every／everything 單數＋動詞 s；「有」＝there is／should be**	~~everythings depend on~~ → **everything depends on** ~~there has no wage limits~~ → **there should be no wage limit**
18 改一個掉一個 **改完整句從頭念一次再送出**	~~with his families and get along with their parents~~ → **with his family and gets along with his parents**

③ 送出前五步（每寫完一句跑一次）

1. **找主詞**決定動詞 s：單數加、複數不加；-ing 主詞、everything 算單數。
2. **每個名詞過三關**：可數嗎？一個（a）還是泛指（s）？說得出哪一個才加 the。
3. **be／feel／stay／keep 後**是形容詞嗎？**our／leading to 後**是名詞嗎？
4. **介系詞和收尾片語**是整組背的那個嗎？（to／in a better mood／on／for）
5. **逗號兩邊**是兩個完整句嗎？是就補 , and／, but。

④ 拼字盲區（最近一週拼錯的）

foreign	affect	steady	studying	waiting	promotion	upgrade
brings	family	surfing	teaches	further	required	convenient

另外固定盯：despite／large／harmony／firm／strict／anxiety／responsibility。
